

# Electromagnetics Poster Day

Sunday 02 Nov., 2014  
2-5 pm, Exhibition Hall

- Optics
- Cosmic microwave background
- Radars
- bolometers
- Wireless power transfer
- Meta-materials
- Maglev trains
- Electromagnetic shielding
- X-ray telescopes
- Spintronics
- Physics of Auroras
- Aharonov-Bohm effect
- Holography
- RFID
- Laser physics
- MRI
- Electromagnetic rail guns
- Invisibility cloaks
- Cherenkov radiation
- EMP
- Night vision
- Wardenclyffe tower
- Physics of lightning
- Remote sensing
